Welcome to Passport Pilates Studios, a studio dedicated to transforming and healing bodies, calming minds, and creating lasting relationships.

Pilates Reformer Orientation

*At Passport Pilates Studios, we provide our clients with an Orientation to The Pilates Method. Prior to the Orientation, we offer a 30 minute **complimentary** Pilates Talk-Tour. Both the Talk-Tour and Orientation are by appointment only and may be booked and purchased via our On-line Scheduler at www.passportpilates.com*

Our Pilates Talk-Tour & Orientations are scheduled during our “non-peak” class times. If these time frames do not work for your schedule, you may schedule a private training session.

The Talk-Tour lasts 30 minutes. We explain the history and concepts of Pilates, outline how our Studio works, and answer all your questions. If you choose to stay for the Orientation to follow, it lasts 60 minutes.
Please be on time for your pilates talk-tour.

During our small group Orientation, we teach you the body positioning & language of Pilates, show you the mechanics of the Reformer Apparatus and get you moving on the Pilates Reformer. The \$35. Orientation fee includes the 30 minute Talk-Tour, the 60 minute Orientation **plus** two trial group classes which must be completed within 14 days of orientation.

You may schedule your two trial group reformer classes via our on-line scheduler or call the office and we will assist you.
Your trial classes give you the true class experience and provide the opportunity to get a feel for a Pilates workout.

Getting Started in Group Classes

Orientation and Trial Classes completed....How then to proceed ?

During your orientation, your Pilates professional will make a recommendation on which learning package would best fit your needs. The following three learning options fulfill the prerequisite for joining in on any of our group “All Level” reformer classes.
